

# Our Food Service Coverage Is Made To Order.

The only thing worse than an empty stomach is a hollow insurance policy. That's why Society® Insurance is proud to serve up our EZ Prep Food Endorsement—a program designed specifically for bakeries, delis, coffee and ice cream shops or any other similar food service operation.

No matter what you have a taste for in terms of coverage, Society Insurance has what you are craving on the menu. From responsive claims handling, preventative risk control or comprehensive insurance coverage, Society has the perfect recipe for the protection you need.

### **THE RECIPE FOR BETTER BUSINESS INSURANCE.**

You wouldn't try to cook up something your customers don't want. And neither would we. Society® Insurance understands you don't have as much exposure as your cousins in the full-scale cooking arena. So we factor that into your coverage and, ultimately, what you have to pay for it. To learn more, call us or visit our website today.
