Brockman Wins Service Excellence Award, Chooses Omro Rushford Volunteer Fire Department as Charity

FOND DU LAC, Wis. (May 8, 2014) — Paul Brockman was recently named the first-ever recipient of the Society Insurance Policyholder Service Excellence Award in a brief ceremony at Society Insurance headquarters in Fond du Lac.

As part of the award, Society donated \$250 to the Omro Rushford Volunteer Fire Department in Brockman's name.

Brockman, a network engineer, won the award due to his work in rolling out the company's new policyholder administration system, Cover-All. The system will allow Society to more efficiently serve a growing customer base across Wisconsin, Iowa, Illinois and Indiana.

"Paul's work will be integral in helping us to continue protecting our policyholders for years to come," Society President and CEO Rick Parks said. "His behind-the-scenes commitment to excellence has brought our company to the cutting edge of technology."
