FOR IMMEDIATE RELEASE

Society's charitable donations totaled over \$157,000 in 2017

FOND DU LAC, Wis. (Feb. 19, 2018) — Major corporate gifts to the Fond du Lac Family YMCA and Thelma Sadoff Center for the Arts highlighted charitable giving efforts for Society Insurance in 2017.

Society and its employees donated over \$157,000 to a variety of organizations and programs, including the Moraine Park Technical College Promise Program, Boys & Girls Club of Fond du Lac, Fond du Lac Area United Way, Fondy Food Pantry, Salvation Army, Lemonade Day and Ignite Youth Idea Challenge.

Volunteer work goes hand in hand with monetary donations, as Society employees supported the Warming Shelter, Jaunt for Jonah, Relay for Life, Born Learning Trail, Junior Achievement, Salvation Army Red Kettle Campaign, Boys & Girls Club, United Way Week of Caring and additional worthy causes with their time and talents.

“One of our corporate goals is to be an outstanding corporate citizen through a strong, consistent commitment to the communities in which we live and work,” said Society President and CEO Rick Parks. “With our headquarters here in Fond du Lac, we’re happy to support many important causes so close to home.”

The company also assisted charitable causes across its five-state operating territory through agency and employee match programs. These programs offer a matching grant from Society to charities selected by independent insurance agencies and employees.
