Crouse Wins Policyholder Service Excellence Award, Chooses Orphan Outreach as Charity

FOND DU LAC, Wis. (December 11, 2017) — Kevin Crouse was recently awarded the Society Insurance Policyholder Service Excellence Award in a brief ceremony at Society Insurance headquarters in Fond du Lac.

As part of the award, Society donated \$250 to Orphan Outreach in Crouse's name.

Crouse, a senior field claims representative, has adjusted severe and catastrophic insurance claims throughout Society's service areas across the Midwest. His experience in claims management and construction allows for accurate assessments of scope and pricing, which leads to a quick, smooth claims process.

Earlier this year, Crouse was called upon to respond to three fire claims that occurred on two separate holiday weekends. He did not hesitate to cut his weekends short, traveling to the loss locations promptly and interviewing key parties quickly so that each insured could resume normal business with minimal disruptions.

Crouse has helped Society to deliver on this key promise of business continuity for almost 15 years.
