Society Insurance Partners with Local Restaurants to Feed Healthcare Workers and Families in Need

Austin, TX (February 22, 2021) — In response to the devastating winter storm that left thousands of Austinite's without power, food and water, Wisconsin-based **Society Insurance**, which launches in the Austin market later this year, partnered with several locally-owned restaurants over the weekend to **donate more than 1,200 prepared meals** to healthcare workers and families in need.

With the assistance of the incredible teams at **P. Terry's, Taco Deli, Santa Rita Cantina** and **Taco Shack**, Society was able to purchase and distribute these meals to **St. David's Medical Center, Ascension Seton Medical Center** and **SAFE Alliance shelters**.

"Our team feels incredibly fortunate that we could support the Austin community at such a critical time," said Rick Parks, Society Insurance president & CEO. "Working alongside these beloved Austin restaurants, we were able to provide a warm, comforting meal to those who needed it most. We are proud to join this wonderful community."

Society Insurance launches in the Texas market later this year and is recognized as an industry leader in providing superior restaurant and bar insurance coverage specifically tailored to the unique operations of each business.
