Society Insurance Receives FAIA Award

Corporate sponsorship and support leads to distinction

FOND DU LAC, Wis. — Society Insurance was recently honored by the Fond du Lac Area Insurance Association (FAIA) for its support and sponsorship of the organization.

FAIA President Kristine Lathrop presented the award to Society Insurance President and CEO Rick Parks, who accepted the award at Sebastian's Steak House in Fond du Lac on Jan. 19.

"We view supporting leadership development in the insurance industry as extremely important, so it's a real honor to be recognized by the FAIA," said Parks, whose company is now in its 97th year of business. "The FAIA is a great organization and we're proud to continue to support its growth."

The FAIA is a local non-profit group of insurance professionals affiliated with the International Association of Insurance Professionals (IAIP) and has been dedicated to the development of leaders in the insurance industry since 1992.
